

Autumn Conference for Leaders 2025

Hereford Shell Store, Thursday, 16 October, 13:00–16:00

Or

Shrewsbury Town Football Club, Friday, 17 October, 09:00–12:00

We're delighted to welcome back **Michelle Cobb** after the fantastic response to her Autumn 2024 keynote.

“Talk Moves: Fostering Mathematical Thinking Through Discussion and Gesture”

Michelle will explore how purposeful talk and gesture in the maths classroom can deepen understanding and encourage positive learning behaviours for all pupils.

This session will examine how creating planned opportunities for talk can foster positive mathematical learning behaviours for all pupils.

Join us for practical strategies and fresh insights to elevate maths teaching.

Summer Conference for Leaders 2026

Hereford Kindle Centre, Thursday, 18 June, 13:00–16:00

or

Shrewsbury Town Football Club, Friday, 19 June 09:00–12:00

“Making Maths Meaningful with Oak National Academy”

We look forward to welcoming **Alison Hopper**, Primary Maths Specialist at MEI. Alison will guide us through the Oak National Academy's free maths materials, exploring how they can enhance curriculum planning and support progression. This session offers practical insights for schools looking to refine and strengthen their approach to primary maths.

Whether you're reviewing your schemes or seeking fresh inspiration, this keynote will help you make the most of free, high-quality resources.
